

CELL DONORS URGENTLY WANTED

Support FDA-approved new cell therapy studies.

We need your cells and you just need some time. A cell donation takes about **three hours** and you will receive a **fixed expense allowance**.

Why Non-Europeans? This complies with the requirements of the FDA, if a FDA-regulated trial is being conducted in Germany.

Only **US and Non-European donors** who live in Europe for less than 5 years are allowed to participate in the study.

The collection takes place in our apheresis center in **Cologne**.

Our experienced physicians and nurses take care of you.

Questions? Our team will gladly answer them.
